Dear Parents

The evolving situation facing us with the global spread of COVID - 19 is unprecedented and as such decisions have to be made for the safety of all of our school community; pupils, parents, family and staff alike.

After much consultation with a range of people, the Board of Governors and I have decided that the school will close for the remainder of this week. We will monitor the situation as the news of future developments unfold. There may well be a government announcement about the way forward within this timeframe. If not, we will communicate further in due course as to whether we will reopen on Monday 23 March.

Please continue to follow all guidelines as we strive to curtail the spread of the coronavirus. Look after one another, especially the older generation and all those who are vulnerable.

Our staff will be in school to prepare learning materials for our pupils. We will communicate how to access these materials later this week.

Thank you for your continued support.

Yours sincerely

Fiona McConway (Principal)

Kevin Traynor (Chair of Governors)
