

# Bee Scramble

## Amazing Fact

Honey found in the tombs of ancient Egyptian pharaohs has been tasted and is completely edible. If it is stored properly in a sealed jar, there is no reason why honey could not last forever.

## Challenge

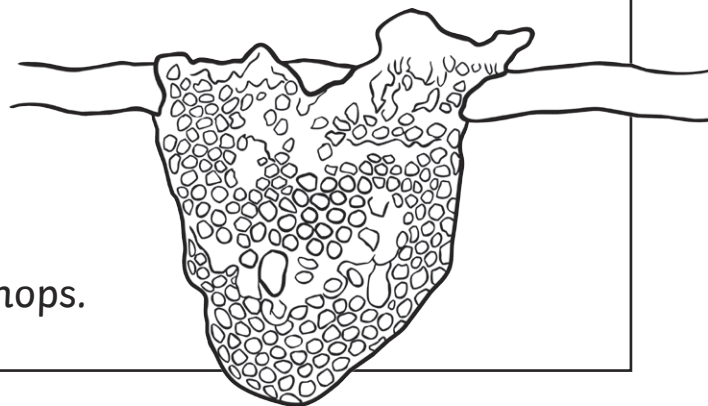

Unscramble these words using the clues provided.

Clue	Answer
<b>nohyebocm</b> This is where bees store the honey.	
<b>veih</b> Bees live in this.	
<b>tecra</b> Bees collect this from flowers.	
<b>neque</b> This bee is the leader of the bees.	
<b>nexghao</b> This is the 2D shape of honeycomb.	
<b>giwns</b> Bees use these to fly from flower to flower.	
<b>twees</b> This is how honey tastes.	

You could also try to find out:

- what makes honey so special;
- how honey is made;
- how honey is collected and sold in shops.
