

Avoid Harm On the Farm

CALENDAR 2020

CALENDAR 2020

Parents

As part of the “Be aware kids - Child safety on farms” campaign HSENI ran a poster competition for pupils in rural primary schools. The winning entries have been used to make this colourful calendar and each picture reminds us of the dangers of working on, living on and playing on a farm.

Farming is our most dangerous occupation with 69 work related fatalities in the 10 years up to the end of 2018. Tragically these figures include 3 children under the age of 11.

Please hang this calendar up where everyone can see it and use it as a daily reminder to be extra vigilant when it comes to keeping our children safe down on the farm.

For more information on these messages, you and your child can watch our online child safety videos at:
