

# Fire Safety

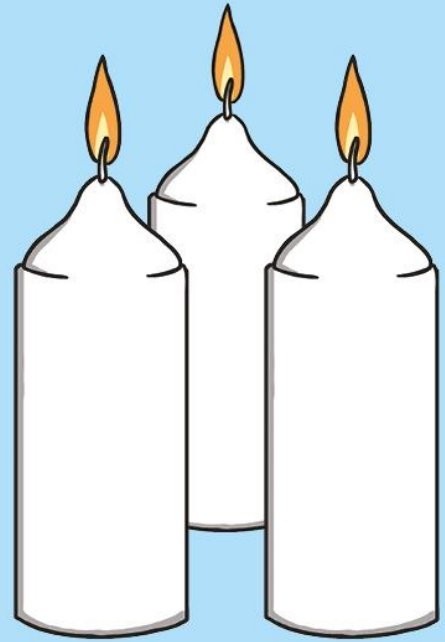

FIRE STATION

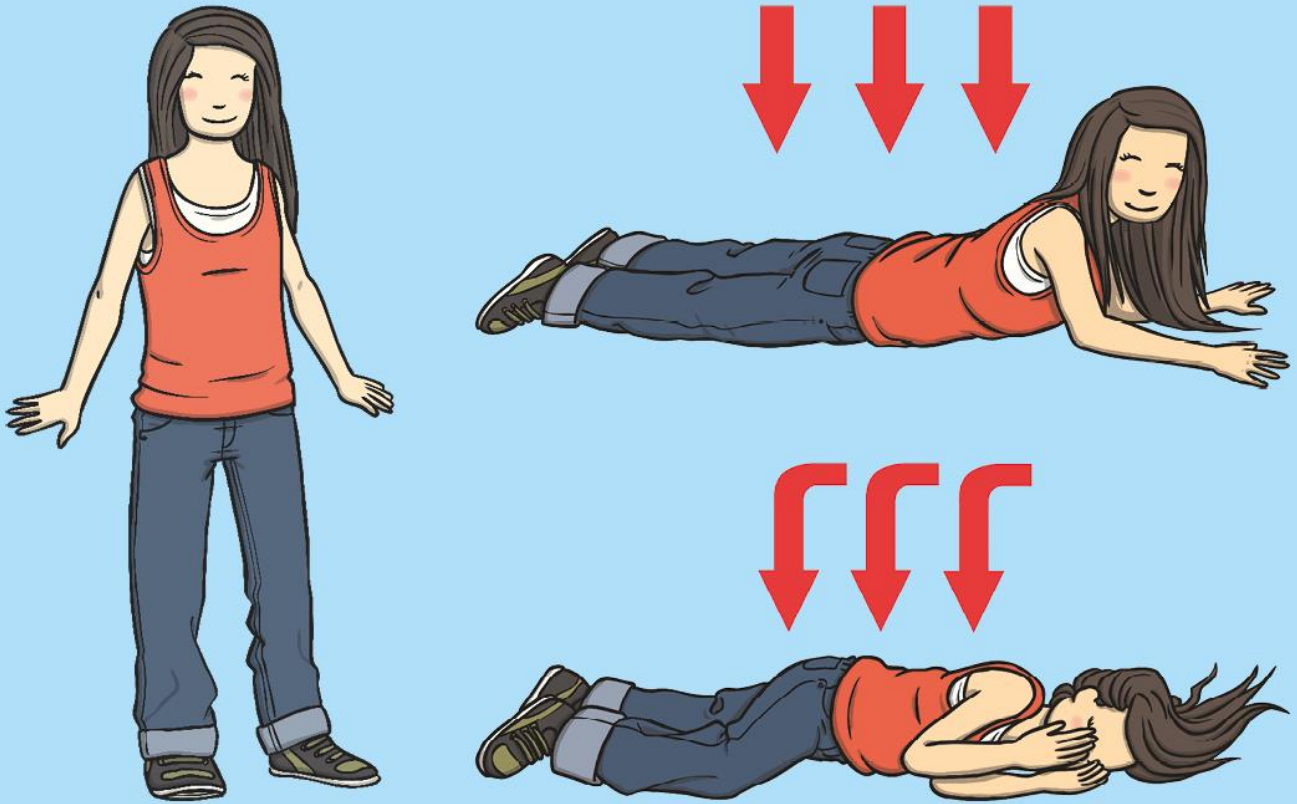

I never play with fire  
or matches.

I stay away from things  
that can burn me.

I know how to 'Stop, Drop  
and Roll'.

I know that firefighters can  
help me in an emergency.

If there is a fire in my  
home, I stay low and crawl

I know to never go back  
inside a burning house. I

In an emergency, I know  
how to call 911.
