

# The Ultimate Challenge!

## Boys and Girls!

This is the ultimate two -part challenge.

1. Complete a memory page from home learning recording your memories from your school year or from Lockdown 2020.
2. Write a special message for all your friends wishing them good luck or saying how much you miss them.

**Memories and messages** will be uploaded into an iMovie to mark the end of the school year. We all miss each other, so let us create a digital story book of our memories and messages, a piece of living history.

## Parental Safeguarding

Send photos/messages to [info@moneynickps.randalstown.ni.sch.uk](mailto:info@moneynickps.randalstown.ni.sch.uk)

If your child is in the photo do not include his/her name to adhere to child protection procedures. Good luck!
