

We are smart, we are E-Safe!

## E-Safety

### 10 Golden rules

- Don't communicate with strangers online
- Make sure any online accounts are private
- Don't click on a link from a friend without checking that they sent it
- Never share your location online
- Never share personal information
- Don't accept friend requests from strangers
- Think carefully before you write a comment online
- Tell a trusted adult if you receive something that makes you uncomfortable
- Never meet anyone you don't know in person
- Be careful with websites or apps that need bank details
